

## Welcome to our Farm!

Thank you for your interest in our family farm. We are the 7<sup>th</sup> generation for this small farm in Fairmont, WV and hope to continue to share the tradition for many years to come. We started our lavender farm in 2017 and love being able to grow and share our treasure with others. Below is a summary of our offerings and prices to help you navigate through the process of selecting the venue that fits you perfectly.

Our Barn is a 5680 ft<sup>2</sup> custom designed barn with white wood exterior, rustic hardwood floors on the main floor and shiplap walls to accent the cathedral ceiling and rustic posts throughout the reception area. The main reception area is 2,640 ft<sup>2</sup> with several french doors/barn doors, windows and vintage style chandeliers. In addition, the main floor has three bathrooms (including handicap accessible) and a caterer's prep kitchen with rear outdoor access. The prep kitchen will also have a bar with a kegerator for you to use as desired. There are a set of stairs leading up to the loft area that serves as a 400 ft<sup>2</sup> bridal suite and private bridal party restroom. From this loft area, you can go through the double doors onto the balcony overlooking the reception area. Perfect for beautiful pictures and the view will be amazing with all of the windows on the opposite end of the barn looking out into the fields. The basement area of the barn will have the groom's man cave with another private bathroom. In addition to access downstairs, the man cave will have a separate exterior entrance. To add to all these selectively designed amenities, we will have an office area, our farm shop and additional storage in the basement of the barn. Our barn will sit atop a hillside of our 20 acre farm that overlooks our 170 year old stone house, lavender field, a livestock pasture and hayfields. All the beauty of a country farm and only a couple minutes away from a selection of hotels and restaurants for your guests.

Our barn is conveniently located right off I-79, exit 132. We are approximately 25 minutes from Morgantown, 45 minutes from Uniontown, 90 minutes from Pittsburgh and 2 hours from Charleston, WV. There are a number of hotels and restaurants within 2 miles of our venue for your traveling guests. A local shuttle service is available for you to contract if interested. We can provide you the contact information to coordinate and secure for your event day.

Our wedding package is designed to offer you the opportunity to prepare for your wedding day and eliminate a few extra stressors. The timeless classic style venue includes one price with no hidden costs. In addition to the barn features listed above, the rental fee includes the following:

- Tables, chairs and linens for up to 200 guests
